

SPARKGROUNDS *Academy*

Montessori-Inspired, Project & Inquiry-Based, STEM & Art-Focused...

Welcome to SparkGrounds Academy, where curiosity fuels learning, and every child's potential is ignited. We are a dynamic, Montessori-inspired private school dedicated to hands-on, project-based education that blends STEM, the arts, and real-world problem-solving. Our innovative approach encourages students to think critically, collaborate creatively, and develop a lifelong love of learning.

NOW ENROLLING FALL 2025: FIRST THROUGH SIXTH GRADE

🎯 Child-Centered Learning

Each child learns at their own pace with lessons tailored to individual needs and inquiries.

📖 Prepared Environments

Classrooms are organized, beautiful, and accessible to foster autonomy and curiosity.

🔬 STEM & Art are Crucial

Science, technology, engineering, math, and art are essential to life-long success.

🧪 Hands-On Exploration

Learning occurs through hands-on activities and real-world experiences that promote discovery.

👥 A Peer Community

Mixed-age classrooms promote peer learning, leadership, mentorship, and respect for others.

📈 Embracing Failure

Learning from mistakes is encouraged as a path to resilience, persistence, and success.

🗨️ Independence & Choice

Children are given freedom to choose activities and take ownership of their learning.

👤 The Whole Child

A focus on cognitive, social, emotional, and physical growth leads to compassionate learners.

📋 Project-Based Learning

Learning is rooted in interdisciplinary projects that promote real-world examinations.
